Ricardo –

How are you? I hope you are having a good weekend. I wanted to follow up with you please regarding the red curb on Westmoreland just north of Pico. Have you received the letter you needed from the LAPD? Is there ANYTHING I can do to help move the process forward? This lack of parking is severely hurting my business and causing customers to park further north in the residential areas. I appreciate anything you can please do to speed up this process and get the curb changed to 2-hour parking.

Thank you very much.
